

Artist Facilitators (Freelance Role)

Broadway Gallery is seeking 3-4 art facilitators to host Family Arts workshops throughout 2024.

In 2023, feedback from families indicated that attendees would prefer a group of regular hosts to produce creative workshops the whole family can get involved in. Therefore, the gallery is looking for experienced workshop facilitators to partner with us to deliver these events.

Family Arts at Broadway Gallery occurs on the second Saturday each month and is made up of two identical visual arts workshops for families with 3-10-year olds, at 10am and 1pm for an hour each. Our Family Arts sessions are designed for the whole family to enjoy. Parents are asked to stay with their child throughout the workshop and encouraged to get involved.

The ideal Artist Facilitator will be friendly and approachable with strong presentation skills. As part of the team, facilitators will be asked to plan sessions alongside the Cultural Learning Officer to ensure the programme offers a broad range of activities.

Broadway Gallery has a fantastic team of Family Learning Volunteers available to support facilitators during workshops. Volunteers are asked to help by registering the arriving families, monitoring numbers, handing out materials, and generally talking to and supporting the families.

Facilitators will be expected to arrive 30 minutes prior to the start of a session to set up and stay 30 minutes after to tidy away, supported by volunteers.

In addition to Saturday workshops, there may be the opportunity for occasional offsite workshops for schools or families throughout the year.

Requirements:

- Commitment to minimum 3 days of workshops across 2024
- Availability 9:30am-11:30am and 12:30pm-14:30pm on the second Saturday of the month
